

NEWS FROM CAMPBELL & PARIS ENGINEERS

Issue 1

October 2010

Welcome to the first quarterly Campbell & Paris E-Newsletter!

Whether you are an old friend, a seasoned client, or a new contact, we hope this newsletter helps to keep you up-to-date with our company and the projects we are working on. If there is something you would like to see in future newsletters, please let us know.

Campbell & Paris Engineers provides airport planning, environmental studies, engineering design, cost estimating, construction management, gate management planning and finance services to the aviation industry- **the total program**. We specialize in practical, cost-effective solutions to complex planning and engineering challenges.

Please take the time to visit our website or feel free to contact us directly! We would love to hear from you.

CELEBRATING 28 YEARS!

In October, Campbell & Paris will celebrate its 28th year of creating quality engineering, design, construction management, and planning projects.

Since its inception in 1982, the company has continued to grow by taking on new and challenging projects while maintaining the same high quality of work and client support.

We look forward to many more years in the aviation industry!

MEET OUR SENIOR MANAGEMENT

H.D. Campbell, Jr., P.E.- CEO and Principal

H.D. is a recognized expert in airport planning, design and construction management with over 40 years of experience as a consulting engineer on projects throughout the U.S. and abroad. H.D. works in the Chantilly office.

In This Issue:

Celebrating 28 Years!
Meet our Senior Staff
Client Spotlight: FDK
You're Invited to Happy Hour

Happy Hour!

Stop by our **Richmond** office for Happy Hour on Thursday, October 7. It's a great chance to see our historic office building (General Robert E. Lee once called it home) and network with other professionals in the aviation engineering field.

707 E Franklin Street,
Suite C
Richmond, VA 23219
5pm

***Please let us know you are coming:**

CLIENT SPOTLIGHT: Frederick Municipal Airport

Under the direction of airport manager Kevin Daugherty, FDK is moving full speed ahead. From preparations for a major runway extension to siting and securing funding for a new Air Traffic Control tower, FDK is making strides toward becoming one of the leading general aviation airports in the state. Campbell & Paris is fortunate to be involved in the design, engineering, planning, and site inspection aspects of these projects.

**Next issue's spotlight: Augusta Regional Airport*

Campbell and Paris will provide the highest quality planning, design, and construction management professional services by superior client service from each and every employee in an ethical and economic manner.

Airports We Are Currently Working with Include:

- Augusta Regional, GA (AGS)
- Blue Ridge, VA (MTV)
- Burlington Intl, VT (BTV)
- Culpeper Regional, VA (CJR)
- Frederick Municipal, MD (FDK)
- New Kent County, VA (W96)
- Newport News/Williamsburg, VA (PHF)
- VT/Montgomery Executive, VA (BCB)
